

**Allied Digital Q2FY13 Total Income stood at Rs 123.8 crore and Net Profit was at Rs 1.9 crore
EBITDA Margin shows a strong uptick for the second successive quarter**

Mumbai, 9th November, 2012 – Allied Digital Services Ltd. (Allied or Company), (BSE: 532875) (NSE ID: ADSL), a leading Indian IT infrastructure management services provider and a Forbes “200 Best under a Billion” company today announced its second quarter results for fiscal 2013.

PERFORMANCE HIGHLIGHTS

Sequential Quarter Review

- Consolidated Total Income stood at Rs 123.8 crore
- EBITDA Margin stood at 11.4% as against 8.5% in Q1FY13; an increase of 299 bps.
- Consolidated Net Profit for the quarter stands at Rs 1.9 crore
- Basic EPS for the quarter stood at Rs 0.40 on a face value of Rs. 5.

Commenting on the results, Mr. Nitin Shah, Chairman and Managing Director said “While we have managed to stabilize the business at an operating level, we still see the Indian market to be challenging and we believe that this will last for another six months at the least. However, we are seeing some good traction in the US and UK markets and we are hopeful that this will translate into a good order book position for the Company.”

He also added, “The focus of the Company has been to work on operational efficiency measures coupled with judicious choice of projects that we take on board and this has translated into a second successive quarter where our EBITDA margins have increased by almost 300 bps.”
