

Allied Digital 9m FY15 Net Revenue stood at Rs 187 crore and EBITDA Margin was 11.8%

Mumbai, 12th February, 2015 – Allied Digital Services Ltd. (Allied or Company), (BSE: 532875) (NSE ID: ADSL), a leading Indian IT infrastructure management services provider today announced its third quarter results for fiscal 2015.

PERFORMANCE HIGHLIGHTS

Consolidated 9m FY15 Review

- The operating revenue was Rs 187.0 crore for the 9m period ended December 2014
- Total revenue was Rs187.7 crore for the 9m period ended December 2014
- EBITDA stood at Rs 22.1 crore; EBITDA margin was at 11.8% during the period under review

Commenting on the results, Mr. Nitin Shah, Chairman and Managing Director said, “In spite of business environment continuing to be challenging for the industry, we have restructured our efforts to continue and acquire profitable business, thus improving financials. During the quarter under review, we have signed up an MOU with Kazan IT-Park to provide consultancy, design, build and operate TIER III datacentre using the latest state of the art technology. This will be a healthy addition to our bottom line combined with long term revenue stream.”

He also added, “The Pune City Surveillance Project is heading towards completion. This is the first iconic city surveillance project in the country which can be scaled up to the smart city initiative. We are looking forward to achieving a major milestone in coming quarter.”
