

## Mr. Paresh Shah

Chief Executive Officer

The task of leadership is not to put greatness into people, but to elicit it, for the greatness is there already.

Paresh Shah, Chief Executive Officer (CEO) at Allied Digital, is one such leader who takes deep interest in his employees. Along with work, he ensures employee satisfaction and encourages their growth.

With 23 years of experience in IT, he identifies new business avenues, undertakes internal organization transformation and leads the technology team of technology consultants & practice heads, at Allied Digital.

Young and dynamic, he is the driver for a proven practice in Cloud Computing and is actively involved in advising customers, forming strategic partnerships and providing enterprise system integration solutions.

His exposure in the competitive business environment helps him bring strong expertise in Business Transformation, Enterprise Solutions Architecture, New Business Development, Software Delivery, Consulting and Innovation. Each of the attributes, helping Allied Digital to soar higher and achieve greater horizons.

With a Master's Degree in Computer Science from the US and Business Management diploma in Marketing and Finance, he has climbed the ladder of his career from a Programmer Analyst to a global certified Enterprise Solutions Architect, CTO and Program Director. Prior to Allied Digital, Mr. Paresh acted as Global Practice Head, Enterprise Technologies for Wipro. His extensive and diverse experience fields include Business Transformation, Enterprise Solutions and Architecture and Total Outsourcing solutions.

"The key to successful leadership today is influence, not authority." Mr. Shah's work has proved him to be a successful leader. With his vibrant knowledge, thrive to work, generosity and experience; he will change the face of the company to greater shades.
