Mumbai, February 4th, 2010 – Allied Digital Services Ltd. (Allied Digital or Company), a leading Indian IT infrastructure management services provider and a Forbes “200 Best under a Billion” company announced that it has recently received awards in 4 categories at the Channel Excellence awards ceremony held in Bangkok.

The award ceremony saw more than 100 companies gather together. Allied Digital emerged as the single most recognized company.

Commenting on the recent awards, Mr. Nitin Shah, Chairman and Managing Director of Allied Digital said, “We have received consistent recognition in the past for our consistent performance in the solutions and services space for which I am grateful. However this year we have outdone all earlier years with 4 awards in the services as well as the solutions space as Best Services provider as well as the Most Successful Solutions Provider. The added category recognition as the Best Automated Managed Services Provider category is where our company had taken an early lead and I am grateful to the community for the recognition conferred upon us and I thank them for the tremendous faith demonstrated by them in our company”.
