

## **Allied Digital Services Limited Wins Closed Circuit Surveillance (CCTV) Project for PMC and PCMC areas**

Mumbai, November 15, 2013 – Allied Digital Services Limited (“Allied Digital” or “Company”) announced that it has bagged the prestigious order to implement the Closed Circuit Television Camera (CCTV) network project for the Pune Municipal Corporation (PMC) and Pimpri Chinchwad Municipal Corporation (PCMC) areas.

Allied Digital was selected after a rigorous selection process scoring the highest marks in technical and commercial evaluation. Government has already allocated budget for this project.

The contract of the project worth Rs.224 crores and is expected to be executed in over a period of 42 weeks and shall run for 60 months. The main scope of the project involves fitting of 1250+ CCTV cameras across the two corporations at 440 junctions and other locations. Apart from that, monitoring of the Pune commissionerate as well control rooms in both corporations will also come under this project.

Commenting on the win, Mr. Nitin Shah, Chairman & Managing Director, Allied Digital said, “Allied Digital has designed an intelligent, innovative and cost effective solution to deploy CCTV surveillance at Maharashtra’s education capital and the historic city of Pune and adjoining Pimpri-Chinchwad. Allied Digital will deploy and manage the infrastructure for the next five years and we believe that this is a great opportunity for Allied Digital to showcase its preeminent position in this domain.”

He also added, “The first tranche of payments will start accruing to the Company ten months from the execution of this project.”
