- Field logistics including spares and parts management
- Warranty and non-warranty break fix
- Vender certified technicians
- Dispatched helpdesk services
- 24x7 onsite, same day or next business day coverage
- Preventative Maintenance
- Depot Repair
- Managed service programs with SLA's

Business Value

- Secure and confidential hard drive data wiping ensures clients their data is safe and will be removed properly and permanently.
- Accurate and customized asset reports show clients exactly what is being disposed of and where it went.
- Allied Digital's disposal processes assures clients their devices will be disposed of properly and within EPA certified waste guidelines. This ensures EPA compliancy.
- Clients can receive certificates of destruction for all assets destroyed. Three pass Department of Defence (DOD) wipes can be performed to ensure all data will be un-recoverable.
- Redeployment Services helps Clients realize savings by consolidating, reconditioning, and distributing assets that they already own.
